What is Pranic Healing?

PRANIC HEALING is an effective and powerful "no-touch" healing modality developed by Grand Master Choa Kok Sui that uses "life force" or prana (Chi) to heal physical and emotional ailments. Pranic Healing uses a cookbook approach to heal different ailments. So, all one has to do is to follow a specific protocol for a condition to produce the healing result. There are protocols from nose bleeding to Coronary Artery Disease. It is simplified and organized so that anyone can learn to heal in a short amount of time and produce tangible result.
