## Becoming Supernatural

*A four week book study facilitated by Rev. Micah Murdock*  
**beginning Sunday, February 15 at 11:45 a.m.**

About the book: *Becoming Supernatural* marries some of the most profound scientific information with ancient spiritual wisdom to show how people like you and me can experience a more mystical life. Readers will learn that we are, quite literally supernatural by nature if given the proper knowledge and instruction, and when we learn how to apply that information through various **healing meditations**, we should experience a greater expression of our creative abilities.

We have the capacity to tune in to **frequencies beyond our material world** and receive more orderly coherent streams of consciousness and energy; that we can intentionally **change our brain chemistry to initiate profoundly mystical transcendental experiences**; and how, if we do this enough times, we can develop the skill of creating a more efficient, balanced, healthy body, a more unlimited mind, and greater access to the quantum field and the realms of spiritual truth.

**Books are available now - They can be purchased in the office**

*they are also available on Amazon and other online booksellers*

**Interested? Sign-up in the Great Hall or contact the office**
